Thoughts, ideas and dreams appear on the canvas. I love exploring the texture of paint, capturing colour, light and detail, exploring abstract ideas, seeing the way form takes shape through the medium. It's always an adventure.

Enrique Linaza Spain

When we write about art, or about love, it is hard to explain in words what affects our feelings. It happens that a person or a work of art attracts us and we can't explain why.

Usually it has something to do with our memories, our previous experiences and with our deepest wishes. Like butterfly's wings.

"En el arte como en el amor, es difícil explicar con palabras aquello que afecta a nuestros sentimientos. Ocurre que una persona o una obra de arte nos atrae y no sabemos explicar porqué. Normalmente, tiene que ver con nuestros recuerdos, con nuestras experiencias anteriores y también con nuestros deseos más profundos. Como las de las mariposas."

The AIA-Group was formed five years ago by professional and dedicated visual artists from around Europe, who are all living and working in Andalucía.
