## **Nigel Short**      **UK**

This is the first exhibition for Nigel Short, a new member to the art group. Nigel will be exhibiting a selection of watercolour paintings showing the people, places and impressions of Andalucía. Most of the paintings are in the impressionist style and use bold colour to convey the atmosphere of the area. Nigel says, "I love trying to capture that strong Mediterranean sun all the way from the bleached out colours to the darkest shadows".

## **Philip Magee**      **Ireland**

Philip Magee is a photographer living in Andalusia for the last 10 year. His speciality is in capturing what goes on around the edge of the stage. In this exhibition you can see some images from his project called Saint Malaga. Saint Málaga is all about Málaga, Semana santa, San Juan, Feria and Los Reyes, ect. The background to his photographs have a religious or pagan connection but its all about how the people live with there traditions.

The AIA-Group was formed five years ago by professional and dedicated visual artists from around Europe, who are all living and working in Andalucía.
